Subject: Proposed "Business Opportunity" Rule

522418-70371

Hello Senator Kyl

My name is Cindy Brown. Please don't forget us little people. I am an Independent Distributor of Waiora and Dynamite Marketing along with being a mother of 4 and assistant to my husband on a working cattle ranch. I live in Arizona. I am writing about the FTC's Proposed "Business Opportunity" rule (16 CFR Part 437).

I have been with Dynamite for 9 years and I am new to Waiora. I am concerned because I believe this rule would have a negative effect on my home-based business and my family's income.

The FTC would require a seven-day waiting period before new Distributors can sign up as distributors in Dynamite or Waiora.

The FTC would require me to provide the names and telephone numbers of the 10 nearest prior purchasers of the "Business Opportunity" to all potential Distributors.

The FTC would require me to provide a list of lawsuits filed against the company going back 10 years.

While the FTC's proposal might be well-intentioned, I believe it is ill-conceived or at minimum misdirected. I understand this applying to Franchises that require several thousands of dollars and high risk, but not our low dollar investment home business opportunities. You don't require a 7 day wait to buy a new car that costs thousands, why a 7 day wait to get started in a low start-up business?

Please contact the FTC and stop this proposed rule from effecting all of us trying to build a small business from home. Especially now with gas prices are so high, my home based business opportunites have become an even higher priority.

Fun & Smiles, Cindy :)
